Recruitment Email

Dear friends,

I have joined a movement in support of 89,000 Denver Public Schools students by Raising My Hand! The Raise Your Hand movement is a large-scale, citywide engagement campaign, intended to exponentially grow the community of DPS supporters.

Our students are our future, and we must engage exponentially more people in our mission. With your help, we can launch our movement and reach our vision: Every Child Succeeds. I hope you will join me in that mission by visiting www.dpsfoundation.org/RYH today.

(Share your personal story here! Why do you support DPS students and/or why did you Raise Your Hand?)

The Raise Your Hand movement is also a movement in support of the DPS Foundation, Denver Public Schools' fundraising partner. They raise money, build relationships and champion public education to impact system-wide achievement and help every child succeed.

I hope you will consider joining me in Raising Your Hand and spreading the word on the movement. It only takes 90 seconds to fill out the online form [here](#). The DPS Foundation will send you a decal in the mail to display proudly!

Sincerely yours,
