

**Carmon Hicks**  
**Executive Vice President, Jones Lang LaSalle**

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Carmon Hicks is a member of Denver's Logistics & Industrial Services team specializing in owner-user sales, leasing, investment dispositions and acquisitions of industrial land and buildings. With more than 15 years of experience, Carmon's depth of knowledge and expertise in warehouse distribution, logistics and supply chain management uniquely positions him to deliver best-in-class results for his clients. Carmon has built strong relationships with institutional, regional, local and national corporate clients.

Carmon is currently involved in numerous organizations including JLL's Supply Chain and Logistics Practice group, DMCAR, NAIOP, SIOR and serves as a board member for Denver Public Schools Foundation and American Cancer Society.

*We know that when our students thrive, our city thrives. As a member of the Denver community and as someone who grew up in a public school system, I am passionate about supporting children and education. The mission of the DPS Foundation aligns with where I would like to devote my time and energy. I feel I could be an integral part of an organization that helps to positively impact the lives of children and the community that supports the children.*
