Back to Class Bash is the DPS Foundation's celebratory back to school fundraiser event that gives corporate and community members alike a chance to join together—both in-person and virtually—to show our students and educators we stand behind them as they embark on a new school year. At this unique event, volunteers can choose to participate in whatever way is meaningful to them: writing encouraging notes for students and educators, collecting school supplies, or gathering to beautify school campuses through hands-on volunteerism.

Show our school communities that you are here for them. The Bash combines a hard day's work on the school grounds mixed with play, whether that's enjoying the breakfast networking event before the day kicks off, or enjoying student entertainment.

Help us celebrate the start of the school year! We hope you'll join us at the schools of the students whose lives you impact.
