

Erin Shelby
Development Specialist

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Erin Shelby is the Development Specialist for the Denver Public Schools Foundation, having joined the team in October 2022. In this role, Erin supports annual giving fundraising, gift entry efforts, and donor stewardship events. She also maintains Development team systems.

Prior to joining the DPS Foundation, Erin worked in both the nonprofit and political spaces. She managed multiple local campaigns and worked as a Legislative Aide at the Colorado House of Representatives. She is excited to support DPS students and educators in a new capacity. When Erin is not at work, she is probably trying new Denver restaurants, camping up in the mountains, or snuggling with her cat.

We know that when our students thrive, our city thrives. *I believe in the mission of the DPS Foundation because every child deserves a quality education that is able to make space for big dreams, community involvement, and steadfast support.*
