

**Erin Shelby, Development Specialist, Annual Giving**

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Erin Shelby is the Development Specialist, Annual Giving for the Denver Public Schools Foundation, having joined the team in October 2022. In this role, Erin manages our annual giving fundraising, donor stewardship events, and supports gift management. She also maintains Development team systems.

Prior to joining the DPS Foundation, Erin worked in both the nonprofit and political spaces. She managed multiple local campaigns and worked as a Legislative Aide at the Colorado House of Representatives. When Erin is not at work, she is probably trying new Denver restaurants, playing pickleball, or snuggled up with her cat and a book.

We know that when our students thrive, our city thrives. I believe in the mission of the DPS Foundation because every child deserves a quality education that is able to make space for big dreams, community involvement, and steadfast support.
