

Jennifer Struthers-Johnson
Finance Controller

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Jennifer Struthers-Johnson is the Finance Controller for the Denver Public Schools Foundation, joining the team in April 2023. In this role, she manages the finances of the DPS Foundation, which includes maintaining and analyzing financial reports, budgets, federal and state compliance, grant reporting, and internal controls.

Prior to joining the DPS Foundation, Jennifer worked for the last 16 years in public accounting, specializing in nonprofit and 401(k) audit and consulting. Jennifer is a CPA and comes to the DPS Foundation after a 20-year career in accounting. Volunteering with nonprofits is a passion for Jennifer; she has been on the board of multiple nonprofits in past years including the Denver Professional Chapter of Engineers Without Borders, Young Women on the Move, and the Busan International Women's Association (South Korea). She has also completed volunteer projects with Christmas in October, Project Change KC, and Habitat for Humanity.

We know that when our students thrive, our city thrives. *I believe in our mission because I love seeing the impact of the DPS Foundation's contributions on the Denver Public Schools.*
