

Kim Martinez
Vice President of Finance & Operations

At Denver Public Schools Foundation, we believe our city is strengthened by every student who graduates ready to lead a successful life. At DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Kim Martinez serves as the Vice President of Finance & Operations and has been with Denver Public Schools Foundation since 2006. Kim's passion for accounting fits in perfectly with her passion for education. Prior to joining the team at DPS Foundation, Kim worked for seven years as an auditor with a mid-size Denver CPA firm where she specialized in nonprofit, credit union and retirement plan audits. She graduated summa cum laude from Metropolitan State College of Denver (now Metropolitan State University of Denver) with a Bachelor of Science in Accounting and received her CPA license shortly after. Kim is a past Chair of the Supervisory/Audit Committee at Westerra Credit Union, participates in a CFO leadership group, is a member of the American Institute of Certified Public Accountants and is a graduate of the Leadership Arts|Denver program.

We know when our students thrive, our city thrives. *I believe in our mission because the success of public education impacts each and every one of us.*
