

**Lauren Lindgren, Development Officer, Grants and Foundation Relations**

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Lauren Lindgren joined the Denver Public Schools Foundation in January 2019. She comes to the DPS Foundation with over 10 years of experience with grant writing and management across a variety of sectors. Most recently, she worked at STRIVE Prep as Director of Development, and prior to that, at ZIM Consulting as Director of Grants. Lauren's favorite part of her job is making successful connections between a funder and a program.

We know that when our students thrive, our city thrives. I believe in the mission of the DPS Foundation because education is a right for all students.
