

**Michael Kapoor**  
**Vice President of Majestic Realty Colorado**

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Michael is the Vice President of Majestic Realty's Colorado office. He oversees all development, leasing and asset management at the 1,600-acre Majestic Commercenter business park in Aurora, CO, representing over 10 million square feet of industrial and retail projects. Michael's role also includes primary responsibility for new development and acquisition projects throughout the Midwest region.

Prior to joining Majestic, Michael was at the law firm of Brownstein Hyatt Farber Schreck, LLP, representing many owners, developers, lenders, landlords and tenants. He is a graduate of the University of Toledo College of Law and is a member of the State Bar of Colorado.

Michael has served on various boards and committees, including the Rocky Mountain PBS Community Advisory Board, the Colorado Lawyer Committee Housing Task Force, and the Majestic Foundation. Michael competes on a national and international level in Ultimate Frisbee, having won gold at the World Championships in 2015 with Team USA and again representing America in 2022 in the Masters Division.

We know that when our students thrive, our city thrives. *As a product of public school education, I am a firm believer in the transformative role education plays for an individual and the community. The DPS Foundation provides a way to effectively connect our community with our classrooms and further advance this transformation. Raised by an immigrant college professor, I also know that strengthening and supporting our school system is critical to Denver's (and America's) future. I align with the Foundation's mission, and want to contribute my time and talents to help provide opportunities and encouragement to DPS and the children that we serve.*
