

Samantha Rogan, Events & Communications Manager

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Samantha Rogan is the Events & Communications Manager for the Denver Public Schools Foundation, having joined the team in March 2022. In this role, Samantha works closely with all Development and Communications/Marketing team members to lead all event planning, budgeting, logistics management and execution. She is also responsible for website and social media content creation, storytelling, and graphic design.

Samantha comes to the DPS Foundation from the Colorado Avalanche Alumni Association, where she served as the Manager of Digital Content for two years. Prior to that, she worked for five years as the Assistant Manager/Event Planner for Western Golf Hospitality where she managed the planning, logistics and execution for all on-site events such as golf tournaments, birthday parties, reunions, and fundraising initiatives.

We know that when our students thrive, our city thrives. I believe in our mission because I believe that every child deserves the opportunity for a high-quality education as they grow and develop into the future leaders of our society.
