

**Sierra Schneider**  
**Events Intern**

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Sierra Schneider joined the DPS Foundation in October 2021 serving as the Events intern. In this role, she assists in aiding the Department of Communications marketing efforts and event activations. She helps assist with event planning and execution, social media, website content management, cause-related marketing, and much more.

Currently, Sierra is a sophomore at Metropolitan State University of Denver where she is pursuing her bachelor's degree in marketing and cohesively working towards a certificate in digital marketing. She loves the fluidity and creativity marketing has to offer. Aside from school and work she loves to travel and experience new things that the world has to offer.

We know that when our students thrive, our city thrives. *I believe in our mission because quality education provides the tools for every individual student to achieve all of their life goals and aspirations.*
