

Sylvia Hilario
Corporate Controller at Burgerville LLC

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Sylvia currently works as the Corporate Controller, Burgerville LLC, and most recently co-chaired our 2022 Achieve Gala alongside her husband Manny Hilario.

She is super passionate about education of underprivileged children as she is of Mexican descent, and is a product of public schools in NW Indiana. She is a financial wizard and was a CPA (not active), and used to audit non-profits when she worked for EY in Chicago including the endowment fund for her alma mater, the University Notre Dame. She has been an amazing influencer in our daughter Adriana's career who currently is a second grade teacher for underprivileged kids in California, and will begin this June her second Master's degree in education leadership at the University of Notre Dame.

We know that when our students thrive, our city thrives.
