“I Give for Team DPS because...it's the right thing to do.

I've had wonderful opportunities at DPS, as have my kids and grandkids, and it's time to give back. The DPS Foundation provides students access to those opportunities that they might not otherwise have. It gives them a chance to explore. A chance to see something more. Supporting these students sends them a message that we care, regardless of who they are or where they come from. I give because every penny counts and adds up to make an impact!”
