

Traci Brooks
Executive & Board Relations Manager

At Denver Public Schools Foundation, we believe that our city is strengthened by every student who graduates ready to lead a successful life. At the DPS Foundation, we invest in accelerating progress, we connect the community to our classrooms, and we inspire confidence in the promise of public education.

Traci Brooks is the Executive & Board Relations Manager for the Denver Public Schools Foundation, having joined the team in October 2016. In this role, Traci works closely with the President & CEO and supports the executive leadership team in service to the organization.

Traci comes to the DPS Foundation from Denver Public Schools where she worked for four years, providing a high level of service in the Office of Postsecondary Readiness and the Office of Family and Community Engagement.

Traci most loves the opportunity she has to manage the United Airlines Travel Fund, connecting educators and students to a variety of travel opportunities.

We know that when our students thrive, our city thrives. *I believe in our mission because I believe there is no greater responsibility than providing high quality education to all children.*
